Boltzmann transport applications meeting

Wednesday 4th December, 2019

Imperial College London

https://uob-hpc.github.io/transport2019/

Motivation

- Bring together the community of researchers and industry who work on transport.

- Hear about transport from those working in different disciplines.

- Share challenges faced in solving transport problems.

- Foster collaborations going forward.

https://uob-hpc.github.io/transport2019/

Agenda

- Talks: 10:30-12:30

- Lunch: 12:30-13:30

- Talks: 13:30-14:30

- Tea break: 14:30-14:50

- Talks and discussion: 14:50-16:00

Thanks to Applied Computational and Modelling Group at Imperial for hosting and providing refreshments.

https://uob-hpc.github.io/transport2019/

WiFi

- The Cloud or Eduroam

https://uob-hpc.github.io/transport2019/

Website

- Follow website for agenda.
  - Paper copies at back of room.

- Please email me your slides, and will add to website for prosperity.
  - tom.deakin@bristol.ac.uk

- Will take some photos of the day to add to website.
  - Let me know (face-to-face or email) if you don't want one of you to be included.
